OFF MY ROCKER

I'm screwed up, can't stand the heat
I walk on my hands to ease the pain in my feet
I close my eyes to see what went wrong
I'm on the end of the line, but the road is still long

Life is real hard
I'm off my rocker
I want a new start
I'm off my rocker
I need it so bad
I'm off my rocker
It's drivin' me mad
I'm off my rocker

Sleep won't come, I'm a nervous wreck
Every move I make feels like a knife in my back
My head is spinning around and around
My ears are working overtime, but I can't hear a sound
I'm crazy
I'm crazy
You gotta help me now

I'm off my rocker, yes, yes, yes
Out of control, it's such a mess
I'm off my rocker, yes, yes, yes
I gotta let go, get rid of the stress

I bite my nails till my hands start to bleed
I'm a cannibalistic fool for my meat
I tear out my hear, screaming so loud
I'm like a deaf and dumb doll, trying to shout
I'm crazy
I'm crazy
You gotta help me now

A bloody lunatic
I'm off my rocker
I'm rotten, I'm sick
I'm off my rocker
