## POISON SPITTING SNAKE

Poisonous venom, deadly and mean  
Ready to blind my eyes  
Over and over, you strike like a cobra  
Killing me with your lies  
I try to jump backwards  
Jump left and jump right  
I try to be clever and cool  
No way to escape  
It's a hell of a fight  
It's hard not to act like a fool

Poison-spitting snake  
Poison-spitting snake

You're spitting so hard, nothing can stop it  
It's burning a hole in my soul  
My muscles grow weak  
My mouth starts to tremble  
All this is getting out of control  
I try not to panic  
I gotta stay strong  
There must be an easy way out  
It's so cold in my head  
My lips paralysed  
Impossible to cry it out loud

How can I trust you  
When you treat me like shit  
How can I trust you  
After all those things you did  
How can I trust you  
Poison-spitting snake  
You're a low down creeping thing  
Poison-spitting snake  
Only the rats will call you king
