

FROM THE NEW BINTANGS ALBUM 'DOC'

Music: Frank Kraaijeveld. Lyrics: Frank Kraaijeveld

WHENEVER YOU WANT ME

I've been searchin' day and night
for someone to treat me right
lookin' for some good oldfashioned love
Now I found what I'm lookin' for
and love came walking through that door
it's better than the dreams I'm dreaming of

I (whenever you want me baby)
Want (whenever you want me baby)
You (whenever you want me baby)
To need me (whenever you want me baby)
You (whenever you want me baby)
Need (whenever you want me baby)
Me (whenever you want me baby)
To want you (whenever you want me baby)

Nobody there, just you and me
Right in the middle of the deep blue sea
Need no-one to tell us what to do
Feelin' good in our paradise
Everything's smooth, everything's nice
Seems too good to happen, but it's true

Stop the game of makebelieve
Stop the game of hurt and grieve
Stop the game of get it while you can
No more endless wondering why
Not just me, myself and I
Now you know there's nothing better than...
Be good, share things, what the heck, give it all away
The more you give, the more you get, you're better off this way

Please, teach me how to please
How to treasure one of these
sweet and simple things to feel alright
Enjoy it, love it, have some fun
Live it like it's just begun
Everything you do is out of sight
